What are the Benefits of Becoming a Livable Community Village?

- Free access community educational seminars and forums
- Participate in Livable Communities Activities
- Collaborate and build partnerships with other community groups to better serve the members of your village
- Create and coordinate innovative volunteer services to match the needs of your village members
- Provide your members with advocacy tools and information to address the needs of seniors

“It would be great if residents, through awareness, discussion and action, could improve the quality of life for all individuals and communities.”

Mae Carpenter, Commissioner

Westchester County Department of Senior Programs and Services

Westchester County was one of the first seven members nationwide in the AARP Network of Age-Friendly Communities. Through AARP, it became a member of the Global Network of Age-Friendly Cities and Communities of the United Nations' World Health Organization.
